

You Will Make a Difference

Please consider supporting the Student Excellence Foundation.

Your support will help many of the 1,000 teachers in District 200 enrich the education of its 13,000 students.

The visibility and brand recognition your company receives will demonstrate your commitment to education and the success of the next generation.

Students learn how to program Dash & Dot and Sphero SPRK+ robots in their coding club.

Opportunities

The Foundation offers several opportunities to support students in District 200 while increasing your visibility:

Corporate Gifts - Your donation will be used to fund new programs, innovative teaching methods, classroom technology, STEM initiatives, or student enrichment opportunities. [See the Corporate Giving Benefits Chart below.](#)

Event Sponsorship - Sponsor one of our annual events listed on the next page. Sponsorship funds will first be used to offset event expenses and the remaining funds will be used to fund initiatives outlined above. [See Event Sponsorship Benefits Chart on the next page.](#)
