THANK YOU

Thank you for the chromebooks that you gave us. We really appreciate it. It's very fun to use and we use it for studying roots, essays, and many more. If we didn't get the chromebooks it would be very hard to study in a fun way. Thank you for everything you have given to us, it really means alot to us and our teachers. We hope that you have a fun and a healthy life. Good Luck!

What We Did On The Chromebooks For This Year

This Year we used the Chrome Books for:

- Typing essays about the books that we read
- Learning about roots nouns, pronouns, subject and predicate, adjectives, paraphrasing, verbs, figurative language, and elements of plot
- Creating podcasts about environmental issues
- Google Classroom
- Research about many topics
- Sociogram which showed the relationship between all characters in a book the we read this year
- Recording in our lit circle when we talked about a chapter in the book that we were reading

- we typed 4 essays through the year about various book we read.
- we learned many roots over 24!
- we did podcasts on the last essay topic we did about the environment.
- we use google classroom everyday to do different activities and assignments.
- we did sociograms on the chromebooks to show different character relationships in our books.
- we also did lit circle group work on the chromebooks to talk about different books we read.
 - we researched different environmental topics for our essays.
- we also did grammar lessons on the chromebooks.
