

## STEM Exhibits

**37. Advanced Healthcare Associates** - We provide a positive environment to educate each person to understand the root cause of their pain, correct it, then strengthen and stabilize using exercise and nutrition to decrease the chances that it comes back.

**38. WWSHS Women in STEM\*** - Join us for some hands-on engineering challenges, and see why science is FUN!

**39. Edward-Elmhurst Health** - We are Healthy Driven. We believe in keeping your health moving forward as far down the road as humanly possible.

**40. The Rubber Band Project** - Paper Rocket Launch - Build a rocket out of paper, and see how far it launches.

**41. When the Bleep! (Are We Going to Use That)** - Have you ever wanted to live on Mars? Work together to design model Mars habitats in Gale crater. Challenge yourself to power your habitat without a 33.9 million mile-long extension cord!

**42. Fermi National Lab: Ramps & Curves** - What happens when particles collide? Why?

**43. Triton College** - Learn where STEM as a subject and STEM as a career meet. Our exhibit will show participants of all ages the different companies that hire STEM educated people.

**44. Jerry Evans School of Music** - A display of how music and science interact through physics and sound. There will be demonstrations through the use of various musical instruments as well as a hands-on experience for students.

**45. Rice Lake Square** - Rice Lake Square serves the community of Wheaton, Illinois, with a wonderful array of shopping, dining, entertainment and personal services.

**46. Wheaton Chemistry Society & Society of Physics Students** - Come watch what happens to everyday objects in the presence of frigid liquid nitrogen, and find out how elephants brush their teeth. Wheaton College's Chemistry and Physics Clubs want to show you their science stuff! **Demonstrations at 6:00, 6:30, 7:00, 7:30, 8:00, and 8:30pm.**

**Thank You for attending the STEM Expo!**

Vicki D. Sebela, Executive Director

## Student Excellence Foundation

The Student Excellence Foundation engages the community to enrich educational experiences that empower students to reach their greatest potential.

The Foundation was founded in 1992 as a 501(c)(3) non-profit organization (EIN # 36-3786044), formerly NEW200. The Foundation serves more than 1,000 educators and 13,000 students (early childhood through grade 12) and is dependent upon parent and community volunteers. As an organization with very low overhead, 91% of each donation goes directly to the students. All donations are tax deductible to the fullest extent allowed by law.

### The Foundation Enriches Education

We engage the community to enrich educational opportunities for District 200 students with:

Student Excellence Grants  
Enrichment Opportunities

Future-Ready Learning Resources  
Distinguished Educator Awards

### Fund-a-Classroom

The Student Excellence Foundation, in partnership with the Wheaton-Warrenville PTA Council, offers the Fund-a-Classroom crowdfunding program to enhance education in more classrooms in District 200. Click the QR code to see the latest projects, available for funding.

### Get Involved

**Raise Awareness** – Tell your friends and coworkers about us, follow us on social media, and sign up to receive our e-newsletter on our website.

**Donate** – Click on the donate button on our website or mail your check to the address below.

**Volunteer** – View opportunities and sign up on our website.
